

RROKI

RAPTOR REHABILITATION
OF KENTUCKY INC.

Raptor Rehab of Kentucky Inc. is the largest raptor only rehab center in the state. We take in 350-400 birds of prey annually that have been injured, poisoned, or orphaned. It is our mission as a volunteer based organization to successfully rehabilitate and release these magnificent birds back into the wild.

Let our trained volunteers come to your school, birthday party, wedding, organization or event to speak to you about the birds of prey of Kentucky. Our experienced educators will come to your location and present a program with some of our avian ambassadors. You will learn the natural history, species statistics, and individual stories of our residents. We do not recommend these programs for children under 3rd grade.

RROKI offers the following programs for you to select from:

*Birds of Prey - (60 minutes) - \$225**

Possible Species options:

American Kestrel	Eastern Screech Owl	Northern Barred Owl
Bald Eagle*	Great Horned Owl	Peregrine Falcon
Barn Owl	Turkey Vulture	Red-Tailed Hawk

Meet A Bald Eagle - (30 minutes) - \$275

Your chance to see one of these majestic birds up close!

Weddings, Birthday Parties, Fairs/Expos, Patriotic Events, and others

Go wild with your next event! These programs are handled on an hourly rate. Varies by event. Travel costs may apply.

Please understand that availability of certain birds are dependent on our volunteer's availability (especially bigger birds or ones that require more handling experience) . As a volunteer based organization we will do our absolute best to ensure you are satisfied with your experience. Thank you for considering RROKI!
